## EXHIBIT TRS

### **Notes:**

- **StreamlineMD** will perform an on-site computer and network readiness assessment prior to implementation and provide you with a written report of our findings and recommendations. There is a nominal fee for this assessment.
- **StreamlineMD** recommends “business grade” workstations, printers and scanners from one of the following vendors: HP, Dell, and Fujitsu.
- Contact **StreamlineMD** Help Desk to assess your specific system security requirements.

PRCMedical, StreamlineMD and their trademarks are wholly owned by Professional Receivables Control, Inc.

\*The scanning operation of this multifunction device is not supported by the StreamlineMD EHR.
